Member, Board of Revenue, and Commissioner of Land Revenue, Excise and Prohibition.

Reference:-

The Government in their Memorandum cited, ordered that the monthly report on the working of Prohibition should be submitted by Board not later than the 25th of the month following that to which it relates. The Board, in turn, issued instructions to the Collectors to send their report not later than 15th of every month. The above due dates continue unaltered till now. But invariably many of the Collectors do not send their reports before the due date and they are received one by one till 25th. The result is that the Board has not been able to submit its consolidated review to Government in time The delay in Collectors' Offices may be to some extent due to the late receipt of reports from the District Prohibition Officers or District

Superintendents of Police. as the case may be. For instance, the District Prohibition Officer, Tirunelveli has expressed that necessary statistics from the Station House Officers are received only by 5th and requested that he may be permitted to send his report to the Collector by 10th of every month. In such cases, the Collectors may not be able to send their reports to the Board by 15th. In the circumstances explained, the present due dates may have to be altered and the Board requests that the Government may be pleased to refix the due date of the monthly report with them as 30th of the month following that to which it relates instead of 25th. The Board will issue strict instructions to the Collectors to send their reports before 20th of every month.
